

Crash Replacement Policy

At Revel, we know how it feels to accidentally back your car up over your beloved carbon bike or to crash in a rock garden hard enough to damage a carbon frame. That's why we're proud to offer an industry leading crash replacement policy for the lifetime of your purchase. This policy is valid only to the original purchaser of the frame. Basically, if you break your bike and it was your fault, we will sell you a replacement part or complete replacement frame for a significantly reduced rate to get you back up and riding some sweet Revel carbon again. Just call, text, or email us when something happens, and we will get you taken care of ASAP.
